

Assembly Instructions for Exhibit Kit

List of Parts Included with Your Backdrop:

(a) Universal Clamp
Qty: 2

(b) Quickfold Support
Qty: 1

(c) Extension Drape Handle
Qty: 1

(d) Valance Hangers
Qty: 2

1 Step One

Remove from the carrying case. Open one Clamp, mount it above the Drape Support on one of the existing booth Uprights, and tighten the bolt until safely secure. Ensure the slots are facing up.

2 Step Two

Repeat for the other Upright.

3 Step Three

Remove the Quickfold Support (b) from the carrying case.

4 Step Four

Open the Drape Support (b) to its full extended length and place it on the ground.

5 Step Five

Remove the Printed Backdrop from the carrying case and unfold it. Insert the extended Drape Support (b) into the top pocket of the Backdrop.

6 Step Six

Insert the hook on one end of the Drape Support (b) into the slot on one of the Universal Clamp (a)

7 Step Seven

Using the Extension Tool (c), place the other end of the Quickfold Support (b) into the second clamp (a)

8 Step Eight

Adjust your backdrop until it is flat and smooth.

Additional Setup Options

Valance Hangers

1 Step One

Remove the two Valance Hangers (d) from the carrying case. Insert the angled end of the Valance Hanger into the slot of the existing Upright as shown.

2 Step Two

Repeat for the other Upright.

3 Step Three

Similar to steps 3-8 on the reverse page, connect the Quickfold Support (b) together, and place one hook of the Drape Support onto an open slot of the Valance Hanger.

4 Step Four

Using the Extension Tool (c), place the other hook of the Drape Support onto the second Valance Hanger (d). Adjust your Exhibit Backdrop.
